## IN NEIGHBORING COUNTIES.

Barbourville needs more dwellings. There is not a vacant small house in the town.

The Controller of the Currency has approved the conversion of the Citizens' Bank, of London Ky., into the Second National Bank, of London, with \$25,000 capital.

G. T. Gooch and Fred Hunt have purchased the machine shops of L. E. Hunt and the business will hereafter be conducted under the firm name of G. T. Gooch & Co.—Mountaineer.

J. Warren Cunningham, former editor of the Middlesboro Record, has accepted a position with the comic opera company, "The Mayor of Tokio," now playing at the Garrack Theater, Chicago.

A. Longo, Thomas Longo, C. P. Cecil, Jr., and Frank West, of Danville, have filed articles of incorporation with the State department at Frankfort incorporating the Lon-Kola Co. at \$20,000. Lon-Kola is a light drink after the order of Coca Cola.

Claiming that James Smith, of Middlesboro, attacked him with a beer bottle because he sought to protect a small boy who was being roughly handled by Smith, John Golden emptied the contents of a shotgun into the heart of his assailant, death resulting instantly. Golden has surrendered to the authorities.

O. H. Waddle, owner of the street railway franchise at Somerset, has been granted by the City Council an extension of 60 days, from July 17, in which to begin work. The council was induced to take this course on the assurance that arrangements had been made for financing the enterprise, and that actual work would begin on or before the time named.

## Cholera infantum.

Child not expected to live from one hour to another, but cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Lyne Bros., Crab Orchard, Ky.

## Recipe For A Happy Day.

Take a little dash of cold water,  
A little leaven of prayer,  
A little bit of sunshine gold,  
Dissolved in morning air.

Add to your meal some merriment,  
Add thought for kith and kin,  
And then as a prime ingredient  
A plenty of work thrown in.

Flavor it all with essence of love,  
And a little dash of play,  
Let a nice old book and a glance above,  
Complete the well-spent day.

At the preliminary trial of John Miller, James Cundiff and John Dunsell, of Lee county, charged with the killing of John Creech and James Thomas, evidence was introduced to show that Miller and Cundiff attended church for no other purpose than to renew a quarrel they had with John and James Creech. Dunsell was discharged by the court, while Miller and Cundiff were allowed bail in the sums of \$3,000 and \$1,500, respectively.

The editor and his wife disagree very materially with each other. She sets things to write and he writes things to set. She reads what others write and he writes what others read. She keeps the devil out of the house as much as possible and he retains him and could not go to press without him. She knows more things than she writes and he writes more things than he knows. —Elizabethtown News.

Foley's Kidney Cure will cure kidney and bladder disease in every form, and will build up and strengthen these organs so they will perform their functions properly. No danger of Bright's disease or diabetes if Foley's Kidney Cure is taken in time. Penny's Drug Store.

Chamberlain's Colic, Cholera and Diarrhoea Remedy—

The Best in Existence.

T. M. Wood, manager of the White County News, Beebe, Ark., is a representative southern business man, who does not hesitate in expressing his good opinion of a well known remedy. He says, "It gives me pleasure to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy, having used it myself and in my family, with the best results. In fact I believe it to be the best remedy of the kind in existence." Sold by Lyne Bros., Crab Orchard, Ky.

He had been calling at intervals for five years, and one night when he and the young lady were seated in a secluded corner of the drawing-room the front door bell rang.

"Oh, bother!" cried the young man; "better tell the servant you are out."  
"Shall I not tell her to say I'm engaged!" asked the girl, shyly; and before another quarter of an hour had passed she was.

## Makes the Liver Lively.

Orino Laxative Fruit Syrup gives permanent relief in cases of habitual constipation as it stimulates the liver and restores the natural action of the bowels without irritating these organs like pills or ordinary cathartics. Does not nauseate or gripe and is mild and pleasant to take. Remember the name ORINO and refuse substitutes. Penny's Drug Store.

The vitality of the snail is remarkable. One that was glued to a card in a museum for four years came to life on being immersed in warm water. Some specimens in the collection of a naturalist revived after they apparently had been dead for 15 years.

## NEWS NOTES.

The boycott of American goods is now on in full force at Shanghai.

Damage aggregating \$800,000 was done by a landslide at Naples, Italy. At Coalburg, Ala., a man shot and fatally injured his wife, thinking her a burglar.

Mary Staggs, 16 years old, was burned to death at her home, Olive Hill, Ky.

Several bombs were thrown into a crowd at Byelostok, Russia, and several were killed.

E. G. Martin, Jr., a young physician of Rocky Hill, Ky., died from an overdose of morphine.

Peter Hansen, aged 80 years, well known as a Danish poet, died suddenly at Cedar Falls, Iowa.

Mobile has quarantined against New Orleans because of the alleged existence of yellow fever in the latter city.

In a wreck on the Southern Pacific at Dryden, Texas, an engineer was killed and a fireman injured, probably fatally.

More desperate fighting on the island of Sakhalin resulted in the surrender of a large force of Russians, including 14 officers.

Two Munich scientists have, by means of the Roentgen ray, succeeded in photographing the human heart between beats.

More mutiny has been discovered in the Russian Black sea fleet, and as a result the summer maneuvers have been called off.

M. T. Hancock, a millionaire piano manufacturer and inventor of Los Angeles, Cal., was killed in an automobile accident there.

William J. McDonald, a flagman of the Long Island railroad, saved the lives of an unknown woman and her baby, but died a martyr at his post of duty.

As a result of the Chicago teamster strike being officially declared off, the men are seeking back their old place, the rash amounting almost to a stampede.

One man was killed and two were injured, one of the latter fatally, in a head-on collision between freight trains on the Louisville & Nashville near Pulaski, Tenn.

A mysterious robbery of the Main-street millinery house of David Baird & Co., Louisville, resulted in a loss of about \$3,000 to the firm. The booty consisted of silks and laces.

Twenty-four men were killed, 17 were injured and 55 horses were hurt by the explosion of the bomb aimed at the Sultan of Turkey. It is believed to have been the work of Hungarians.

The evidence introduced at the preliminary trial of Scott McQuinn and John Lane, charged with the killing of Frank Smith and his two sons on July 15, tends to show the crime to have been one of the most cold-blooded in the criminal annals of Wolfe county. Concealing themselves in a barn, they awaited the coming of the Smith boys, firing and killing them instantly. The father of the murdered men hearing the shots ran to the scene from his home, 300 yards away, and was in turn shot down. The accused men were held without bail.

## Wonderful Courage

Is displayed by many a poor invalid, crushed under the weight of chronic troubles, like constipation, biliousness, neuralgia, headache, stomach trouble, etc. But such suffering, though brave, is quite unnecessary, for Dr. Caldwell's (Laxative) Syrup Pepsin will surely cure all these diseases, drive away all the unpleasant symptoms, and restore every invalid to health. Try it. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

## HUSTONVILLE.

A very interesting sermon was delivered by Rev. S. B. Lander at the Presbyterian church Sunday morning, his subject being: "Psychology of Death." Miss Lelia Wheeler gave an interesting rendition of a beautiful soprano solo.

Among the arrivals at the Weatherford Hotel we note Robert Adams, of Lexington; Stanley Porter and Dr. Jno. T. Deneven, Maysville; S. B. Washburn; New York; B. D. Carter, Stanford; I. C. James, Harrodsburg; R. P. Robson and J. H. Alverson, (Cincinnati); W. F. Clark, Lexington.

Sassa, the great musical composer and band leader, was the first to introduce soprano solos in connection with his band renditions in this country. The feature was an immense hit from the first. Now Weber, the great Cincinnati leader, and Storms, the leader of the Kentucky Military Band, who plays for our fair this week, are making special features of soprano solos in connection with their daily concerts at 2:30 P. M. Don't miss it.

P. W. Green, of Lexington, who has been recuperating for a week at Olympian Springs, returned home Saturday much improved. Fern, to the wife of Y. W. Burton, a bouncing nine-pound girl. C. L. Holmes and wife left Monday for a four weeks' outing on the lakes of Michigan. Miss Lula Edgington, our exchange operator, is at her post again after a few days of much needed rest. Mrs. C. H. Covey, of Knob Noster, Mo., is visiting his old acquaintances in our midst. He left this locality 34 years ago and consequently recognized very few of his friends. James Conner and wife and J. Weizer, of Louisville, are with W. S. VanArsdale and wife. Dr. and Mrs. Carl Wheeler, of Lexington, Miss Lelia Wheeler, of Alabama, and Miss Anna Bell Wheeler, of Maysville, form a happy house party at the Emporium this month. W. B. Wright and family have arrived at Deming, N. M., and report that living there is as high as a cat's back. He thinks, however, the climate will be of great benefit to his wife. Mr. and Mrs. Granville Pentecuff, of Knob Noster, Mo., are guests of Mr. and Mrs. E. P. Carpenter in the Moreland section.

A frightful boiler explosion occurred on the United States gunboat Bennington, in the bay at San Diego, California. As a result 75 of the crew are known to be dead, and 16 others, reported missing, have almost certainly perished. In addition scores of men were injured more or less severely. The explosion came without warning, and a terrible scene was presented by the decks of the vessel and the surrounding water after the occurrence. The cause of the explosion is unknown, though the boiler is said to have been thought unsafe for some time. Commander Lucien Young, a Kentuckian, was on shore at the time of the explosion. The Bennington was launched in 1890. While the vessel did not sink, it is believed it will have to be dismantled before repairs can be made.

## Splitting Headache.

Can be often relieved by a nerve sedative, but the scientific way of treating a headache is to go right down to the real cause, or root of the trouble, and cure it with Dr. Caldwell's Syrup Pepsin. It is the only perfect cure for headache, dizziness, constipation, and is free from the dangerous after-effects, which so frequently follow the use of headache powders. Try it. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

Is displayed by many a poor invalid, crushed under the weight of chronic troubles, like constipation, biliousness, neuralgia, headache, stomach trouble, etc. But such suffering, though brave, is quite unnecessary, for Dr. Caldwell's (Laxative) Syrup Pepsin will surely cure all these diseases, drive away all the unpleasant symptoms, and restore every invalid to health.

A frightful boiler explosion occurred on the United States gunboat Bennington, in the bay at San Diego, California. As a result 76 of the crew are known to be dead, and 16 others, reported missing, have almost certainly perished. In addition scores of men were injured more or less severely. The explosion came without warning, and a terrible scene was presented by the decks of the vessel and the surrounding water after the occurrence. The cause of the explosion is unknown, though the boiler is said to have been thought unsafe for some time. Commander Lucien Young, a Kentuckian, was on shore at the time of the explosion. The Bennington was launched in 1890. While the vessel did not sink, it is believed it will have to be dismantled before repairs can be made.

## Splitting Headache.

Can be often relieved by a nerve sedative, but the scientific way of treating a headache is to go right down to the real cause, or root of the trouble, and cure it with Dr. Caldwell's Syrup Pepsin. AN important decision was handed down by Judge Thomas H. Paynter, of the Kentucky court of appeals, Saturday. He dissolved the injunction obtained by the American National Bank, of Paducah, and others, restraining Auditor Hager from including in his tax assessment list certain funds invested in United States securities. The court holds that if the contention of the plaintiffs was upheld, national banks would be practically exempt from State, county or municipal taxes. The decision of Judge Paynter is of far-reaching importance, though the amount immediately involved only approximates \$100,000.

ONE thing that makes Roosevelt so popular is that he sticks to his friends through thick and thin, and doesn't mind saying the best of things about them. Of his new Secretary of State he says: "Elihu Root is the ablest man I have known in our government service. I will go further. He is the greatest man that has appeared in the public life of any country, in any position, on either side of the ocean, in my time."

A REAL prohibitionist who doesn't drink himself and who doesn't want anybody else to drink, is entitled to a reasonable amount of respect, but the political prohibitionist for revenue only who gets away with all the booze he can, should be given the icy hand and frozen stare if he is given any sort of recognition at all, says the Frankfort Journal, and we cheerfully add our amen and amen.

THE Supreme Court of Pennsylvania has held, unanimously, that it is the privilege of the wife to rule in matters domestic, the duty of the husband being limited to providing. After a session lasting nearly an entire day 13 out of 18 members of the Democratic County Committee, of Fleming county, declared John D. Wyatt the regular nominee for the Legislature, vice Paul Heflin. The latter says that he has not given up the fight, but will appeal to the courts. The action of the committee in declaring Wyatt the nominee is regarded as a victory for Judge Paynter, who is a candidate for the United States Senate.

Charges have been lodged with Auditor Hager by the Sheriff of Clark county against State Revenue Agent A. M. Harrison, of Lexington, in regard to the method pursued in the settlement of a tax claim. The Governor has ordered an investigation of the charges, and Auditor Hager, in consequence of the charges, and the fact that the Revenue Agent's bond was not renewed, has declared the office vacant. The Auditor, in a statement, condemns the methods employed by many Revenue Agents throughout the State in filing indiscriminate suits against alleged delinquent taxpayers, and also disapproves the loose and irregular methods employed in settling them.

THE republican county committee met here Saturday and after electing Mr. John Edmiston committeeman in the Crab Orchard district to succeed Wix B. INGRAM.—Mrs. Floyd Ingram, of Erin, Tenn., only daughter of Mr. Isaac Hamilton; of this place, died Sunday at her home of apoplexy. She was ill only a short time and her death was quite a shock to her family and friends. Her father arrived a few hours after her death and was denied the sad privilege of seeing his only daughter alive. Her remains reached here yesterday on the 12:30 P. M. train and were taken to Buffalo cemetery and interred after short services at the grave by Rev. O. M. Huey. Besides a devoted husband her father, brother, D. R. I AM sending out statements this month and will expect all who receive them to call at my office and settle accounts to date. If I am not in my office, please pay Dr. Pennington. R. A. Jones, D. D. S.

THE Frank Fehr Brewing Co., thro' its clever agent, Mr. Chris V. Gentry, sent two barrels of beer yesterday to the Kentucky editors in session at Crab Orchard Springs. "Frank and Chris" know pretty well what newspaper men like.

THE Central Kentucky Medical Society met in Danville at the Gilcher Hotel with the following physicians present: Drs. Joshua Wesley and Stuben Godbey, Middleburg; J. B. Kinnaird, Lancaster; Steele Bailey, Jr., and J. G. Carpenter, Stanford; Thomas Price, Harrodsburg; W. F. Hickie, Hubble; J. C. Bogie, S. Cheek, Gose, Montgomery, Jackson, George and Rice Cowan, Danville. In the absence of the feminine president, Dr. Kinnaird was elected chairman unanimously. Dr. Wesley read a highly instructive paper on Scarlatina, giving numerous erythematous aphorisms. Discussed by Drs. Montgomery, Price, Tucker and Carpenter, each highly endorsing the paper and stating his special experience; Negroes, cats and dogs being special factors in the transmission of scarlet fever and other contagious diseases. Dr. Price read a paper on Fractures of the Knee Cap, replete in surgical truths, pathology and treatment. Dr. Chameleon promised to be present at the next meeting with a paper. Dr. Carpenter spoke on the Early Diagnosis of Appendicitis; First Hour Surgery Saves all Cases; delay, ignorance and complications kill and make a high death rate. These views were endorsed by the members. Dr. George Cowan read a most valuable paper on the "Code of Ethics of the American Medical Association" and showed the regular profession had in it charlatans and "snog-agers" who resorted to politics, merchandise of religion, secret orders, cut rate fees and other such diabolical plans to get practice, instead of resorting to merit, skill, erudition, wisdom and honorable, upright, professional conduct to get business. It was unanimously resolved that Dr. Cowan give this most excellent paper a wide circulation by publishing it in the Kentucky Medical Journal and Journal of the American Medical Association so it could be read by every physician in the United States. Dr. Carpenter presented drawings of ox bone grafting for disease of the bone, reported a most interesting and successful case of surgery and exhibiting a specimen of ox bone graft of nine years' duration. Dr. W. F. Hickie, of Hubble, was appointed essayist for the next meeting. Subject: Dysentery, and he is expected to give it professionally and treat the case thoroughly on this august occasion. Dr. Kinnaird, of Lancaster, was made essayist in surgery. Subject: Osteomyelitis, and he will give a full symposium. Danville is the next place of meeting, the third Thursday, 19th of October. Voluntary papers are especially solicited. C.

THE Hustonville fair begins to-morrow, Wednesday. Of course you will go, but you should also see that your friends do likewise.

LOUIS WHITT will sell his farm, containing 70 acres, one mile from Crab Orchard, privately. It is well improved and has an excellent grist mill on it.

OUR good friend, Mr. F. J. Campbell, chairman of the press committee of the Somerset fair, has our thanks for complimentary tickets to the exhibition Aug. 29, 30 and 31, and Sept. 1. We shall look forward to using the "comps" with much pleasure.

CARTER.—Mr. John C. Carter, of Livingston, aged 78, died Saturday at that place of paralysis. He was a splendid old gentleman and was respected by all who knew him. He was a member of the Baptist church. His remains were shipped to Nashville Sunday for burial. Mr. J. C. McClary tells us.

IN describing the effect that cocaine has on her, a Harrodsburg Negro woman prisoner said: "It makes me feel like I am rich, then I feel like I am lousy, and then I feel like raising h—l." Judging from the actions of those who use the fearful drug, the Harrodsburg Negress knows whereof she affirms.

LACKEY.—Mr. Malcolm Lackey, aged 71, died at his home near Parksville Saturday afternoon and was buried Sunday. He is survived by four children, ren, all grown. His wife died some three months ago. Mr. Lackey was a splendid citizen and a devout member of the Christian church. Mr. John W. Rout and wife, of this place, and Mr. Delaney Lackey and Mrs. Jane Ballew, of Garrard, attended the burial.

### Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted 12 years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50 cent bottle entirely cured me of asthma which had been growing on me for 12 years. If I had taken it at the start I would have been saved years of suffering."

Try it at once. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonsville, at 50c and \$1 Money back if it fails.
